

# STOKE GOLDING AIRFIELD

Stakeout 2018 Fly-In and Family Weekend  
28-29th July 2018

## Camping Pre-booking Form

This year we've got limited camping space at the Stoke Golding Stakeout event so if you are coming and want to camp it's important to pre-book to ensure you get a place and are not disappointed!

The whole weekend camping fee includes admission for both days, car-parking with your tent both days, entertainment on the Saturday evening party and covers **up to four people**. Aim to arrive on the Friday afternoon/evening and get set up as it's likely to be busy on the Saturday morning.

If you wish to stay over on Sunday evening you are welcome to do so, there is no extra charge.

You'll need to pay to reserve your place and we'll send you a confirmation and vehicle camping pass for your windscreen. This will make access easier for you. Campers can enter via the gate on Fenn Lanes in the middle of the airfield and this will be clearly signposted. The main car park is further on at the end of the airfield.... don't go there as you will need to pay to get in and have to carry all your gear!

Campers Name: .....

Email:.....

Phone number:.....

Please reserve me a great camping space at the event @ £30 for the whole weekend

Please pay by bank transfer or PayPal to:

NatWest Bank Sort Code: 60-21-50
